PRELIMINARY AMENDMENT

Sir/Madam:

This Preliminary Amendment modifies the U.S. Divisional Patent Application filed herewith. Please amend the above-identified application as follows:

IN THE SPECIFICATION

Please replace the paragraph beginning at page 2, line 6 with the following rewritten paragraph:

--One form of the present invention provides an LCD panel configured to be attached to a server system and coupled to a management card of the server system. The panel includes an LCD display, a plurality of alphanumeric keys for entering alphanumeric strings that are displayed on the LCD display, and a plurality of navigation keys for navigating through a menu displayed on the LCD display and selecting menu items.--

Please replace the paragraph beginning at page 4, line 19 with the following rewritten paragraph:

--In one embodiment, two types of host processor cards 300A may be used in server system 100 -- PA-RISC host processor cards and IA32 host processor cards. Multiple host processor cards 300A and hard disk cards 300B are used in embodiments of server system
